Brad:

Here's our latest membership figures. Regrettably, we don't have any more specific information than this, such as how many of those Realtor-Associates indicated here do or do not have voting rights at their local Board of Realtors. The best guess we can make based on anecdotal information is that most, perhaps as many as 80%, do not have such rights.

Thanks for your help, and please do not hesitate to call again if I can provide any other information.
